PART 1: General Use

1. Account Setup

1.1. Eligibility. To be eligible to use the Coinbase Services, you must be at least 18 years old, and reside in the United States.

1.2. Terms. We may amend or modify this Agreement at any time by posting the revised agreement on the Coinbase Site and/or providing a copy to you (a "***Revised Agreement***"). The Revised Agreement shall be effective as of the time it is posted but will not apply retroactively. Your continued use of the Services after the posting of a Revised Agreement constitutes your acceptance of such Revised Agreement. If you do not agree with any such modification, your sole and exclusive remedy is to terminate your use of the Services and close your account.

1.3. Registration of Coinbase Account. You must register for a Coinbase account to use the Coinbase Services (a "***Coinbase Account***"). By using a Coinbase Account

you agree and represent that you will use Coinbase only for yourself, and not on behalf of any third party, unless you have obtained prior approval from Coinbase. You are fully responsible for all activity that occurs under your Coinbase Account. We may, in our sole discretion, refuse to open a Coinbase Account, or limit the number of Coinbase Accounts that you may hold or suspend or terminate any Coinbase Account or the trading of specific Digital Currency in your account.

****1.4. Identity Verification.** During registration for your Coinbase Account, you agree to provide us with the information we request for the purposes of identity verification and the detection of money laundering, terrorist financing, fraud, or any other financial crimes and permit us to keep a record of such information. You will need to complete certain verification procedures before you are permitted to use the Coinbase Services. Your access to one or more Coinbase Services and the limits that apply to your use of the Coinbase Services, may be altered as a result of information collected about you on an ongoing basis. The information we request may include certain personal information, including, but not limited to, your name, address, telephone number, e-mail address, date of birth, taxpayer identification number, a government identification, and information regarding your bank account (such as the name of the bank, the account type, routing number, and account number) and in some cases (where permitted by law), special categories of personal data, such as your biometric information. In providing us with this or any other information that may be required, you confirm that the information is accurate and authentic. You agree to keep us updated if any of the information you provide changes. ******You authorize us to make inquiries, whether directly or through third parties, that we consider necessary to verify your identity or protect you and/or us against fraud or other financial crime, and to take action we reasonably deem necessary based on the results of such inquiries. When we carry out these inquiries, you acknowledge and agree that your personal information may be disclosed to credit reference and fraud prevention or financial crime agencies and that these agencies may respond to our inquiries in full. This is an identity check only and should have no adverse effect on your credit rating. ****** Further, you authorize your wireless operator (AT&T, Sprint, T-Mobile, US Cellular, Verizon, or any other branded wireless operator) to use your mobile number, name, address, email, network status, customer type, customer role, billing type, mobile device identifiers (IMSI and IMEI) and other subscriber status details, if available, solely to allow verification of your identity and to compare information you have provided to Coinbase with your wireless operator account profile information for the duration of the business relationship. See our [Privacy Policy](<https://www.coinbase.com/legal/privacy>) for how we treat your data.

****1.5. Access.** To access the Coinbase Services, you must have the necessary equipment (such as a smartphone or laptop) and the associated telecommunication service subscriptions to access the Internet. The Coinbase Services can be accessed directly using the Coinbase Site. Access to Coinbase Services may become degraded or unavailable during times of significant volatility or volume. This could result in the inability to

buy or sell for periods of time and may also lead to support response time delays. Although we strive to provide you with excellent service, we do not represent that the Coinbase Site or other Coinbase Services will be available without interruption and we do not guarantee that any order will be executed, accepted, recorded, or remain open. Coinbase shall not be liable for any losses resulting from or arising out of transaction delays.

2. Wallet and Custodial Services

****2.1. Wallet Services.** As part of your Coinbase Account, Coinbase will provide qualifying users access to: (a) a hosted Digital Currency wallet(s) for holding Digital Currencies ("**Digital Currency Wallet**"), and (b) a hosted US Dollars ("**USD**") wallet for holding USD (a "**USD Wallet**").

****2.2. Hosted Digital Currency Wallet.** Your Digital Currency Wallet allows you to store, track, transfer, and manage your balances of Digital Currency. As used throughout, "**Digital Currency**" means only those particular digital currencies listed as available to trade or custody in your Coinbase Account (also referred to as "**Supported Digital Currency**"). Services and supported assets may vary by jurisdiction. We securely store Digital Currency private keys, which are used to process transactions, in a combination of online and offline storage. As a result of our security protocols, it may be necessary for us to retrieve private keys or related information from offline storage in order to facilitate a Digital Currency Transfers in accordance with your instructions, and you acknowledge that this may delay the initiation or crediting of such Digital Currency Transfers. You may elect to use other services, such as the Coinbase Vault, which allow you to set withdrawal time-delays and create other conditions around the custody and transfer of your Digital Currency. Additional rules associated with such product(s) and service(s) may apply.

****2.3. Supported Digital Currencies.** Your Coinbase Account is intended solely for proper use of Supported Digital Currencies as designated on the Site. ****Under no circumstances should you attempt to use your Digital Currency Wallet to store, send, request, or receive digital currencies we do not support.** Coinbase assumes no responsibility in connection with any attempt to use your Digital Currency Wallet with digital currencies that we do not support. If you have any questions about which Digital Currencies we currently support, please visit <https://support.coinbase.com.> ******

****2.4. Supplemental Protocols Excluded.** Unless specifically announced on the Coinbase Site or other official public statement of Coinbase, Supported Digital Currencies excludes all other protocols and/or functionality which supplement or interact with the Supported Digital Currency. This exclusion includes but is not limited to: metacoins, colored coins, side chains, or other derivative, enhanced,

or forked protocols, tokens, or coins or other functionality, such as staking, protocol governance, and/or any smart contract functionality, which may supplement or interact with a Digital Currency we support. Do not use your Coinbase Account to attempt to receive, request, send, store, or engage in any other type of transaction or functionality involving any such protocol as Coinbase is not configured to detect, secure, or process these transactions and functionality. Any attempted transactions in such items will result in loss of the item. ** You acknowledge and agree that supplemental protocols are excluded from Supported Digital Currency and that Coinbase has no liability for any losses related to supplemental protocols.**

****2.5 Operation of Digital Currency Protocols.** ** We do not own or control the underlying software protocols which govern the operation of Digital Currency supported on our platform. Generally, the underlying protocols are open source, and anyone can use, copy, modify, and distribute them. We assume no responsibility for the operation of the underlying protocols and we are not able to guarantee the functionality or security of network operations. In particular, the underlying protocols may be subject to sudden changes in operating rules (including “forks”). Any such material operating changes may materially affect the availability, value, functionality, and/or the name of the Digital Currency you store in your Digital Currency Wallet. Coinbase does not control the timing and features of these material operating changes. It is your responsibility to make yourself aware of upcoming operating changes and you must carefully consider publicly available information and information that may be provided by Coinbase in determining whether to continue to use a Coinbase Account for the affected Digital Currency. In the event of any such operational change, Coinbase reserves the right to take such steps as may be necessary to protect the security and safety of assets held on the Coinbase platform, including temporarily suspending operations for the involved digital currency(ies), and other necessary steps; Coinbase will use its best efforts to provide you notice of its response to any material operating change; however, such changes are outside of Coinbase’s control and may occur without notice to Coinbase. Coinbase’s response to any material operating change is subject to its sole discretion and includes deciding not to support any new digital currency, fork, or other actions. ** You acknowledge and accept the risks of operating changes to Digital Currency protocols and agree that Coinbase is not responsible for such operating changes and not liable for any loss of value you may experience as a result of such changes in operating rules. You acknowledge and accept that Coinbase has sole discretion to determine its response to any operating change and that we have no responsibility to assist you with unsupported currencies or protocols. **

****2.6. Digital Currency Custody and Title.** ** All Digital Currencies held in your Digital Currency Wallet are custodial assets held by Coinbase for your benefit, as described in further detail below.

****2.6.1 Ownership.** ** Title to Digital Currency shall at all times remain with you

and shall not transfer to Coinbase. As the owner of Digital Currency in your Digital Wallet, you shall bear all risk of loss of such Digital Currency. Coinbase shall have no liability for Digital Currency fluctuations. None of the Digital Currencies in your Digital Currency Wallet are the property of, or shall or may be loaned to, Coinbase; Coinbase does not represent or treat assets in User's Digital Currency Wallets as belonging to Coinbase. Coinbase may not grant a security interest in the Digital Currency held in your Digital Currency Wallet. Except as required by a facially valid court order, or except as provided herein, Coinbase will not sell, transfer, loan, hypothecate, or otherwise alienate Digital Currency in your Digital Currency Wallet unless instructed by you.

****2.6.2 Control.** You control the Digital Currencies held in your Digital Currency Wallet. At any time, subject to outages, downtime, and other applicable policies, you may withdraw your Digital Currency by sending it to a different blockchain address. As long as you continue to custody your Digital Currencies with Coinbase, Coinbase shall retain control over electronic private keys associated with blockchain addresses operated by Coinbase, including the blockchain addresses that hold your Digital Currency.

****2.6.3 Acknowledgement of Risk.** You acknowledge that Digital Currency is not subject to protections or insurance provided by the Federal Deposit Insurance Corporation or the Securities Investor Protection Corporation.

****2.6.4 Digital Currencies Not Segregated.** In order to more securely custody assets, Coinbase may use shared blockchain addresses, controlled by Coinbase, to hold Digital Currencies held on behalf of customers and/or held on behalf of Coinbase. Although we maintain separate ledgers for Client and Coinbase accounts, Coinbase shall have no obligation to segregate by blockchain address Digital Currencies owned by you from Digital Currencies owned by other customers or by Coinbase.

****2.7. USD Wallet.** Your USD Wallet allows you to hold and transfer USD with your Coinbase Account as described below. In general, we will combine the balance of your USD Wallet with other customers' balances and either hold those funds in a custodial account at a U.S. FDIC-insured bank or invest those funds in liquid investments, such as U.S. treasuries, in accordance with state money transmitter laws. Coinbase owns the interest or other earnings on these investments. Pooled customer funds are held apart from Coinbase's corporate funds and Coinbase will neither use these funds for its operating expenses or any other corporate purposes.

****2.8. USDC Wallets.** You may also elect to buy USD Coin from Coinbase, a Digital Currency fully collateralized by the US Dollar, which is issued by Circle Internet Financial ("Circle") and supported by Coinbase ("USDC"). You are the owner of the balance of your USDC Wallet. Coinbase is not the issuer of USDC, does not hold U.S. Dollars on reserve for USDC holders, and has no obligation to repurchase your USDC for USD. You can redeem your USDC with Circle, and Coinbase may also elect to repurchase

your USDC in exchange for USD. You agree to be bound by the terms of the Circle USDC Agreement (located at <https://support.usdc.circle.com/hc/en-us/articles/360001233386-Circle-USDC-User-Agreement>), which provides additional obligations, undertakings, and limitations with respect to USDC.

****2.9 Coinbase Bundle.**** The Coinbase Bundle (“Bundle”) is an offer to purchase multiple Digital Currencies in a single-click transaction, subject to our current fees for purchasing Bundles. The Digital Currencies included in any Bundle are made available by Coinbase in its sole discretion. The amount of each Digital Currencies in any Bundle offer is proportional to each Digital Currency’s “market capitalization”, calculated by multiplying its current price by the circulating supply of the Digital Currency. By purchasing a Bundle, you understand and acknowledge that you have the ability to sell and send each Digital Currency included in the Bundle at your discretion, just as if you had purchased each Digital Currency in separate transactions, by choosing to “unbundle” the Bundle. Coinbase may allow you to perform a single transaction to sell an amount proportionally across all the Digital Currencies purchased as part of a Bundle, and Coinbase may allow this only if you have not previously unbundled your purchased Bundle. A Bundle can not be reconstituted once it is unbundled. All pricing or performance data related to the Bundle is for informational purposes only. A Bundle is not an offer to purchase any single security, investment or financial instrument. A Bundle offer is not a recommendation to buy, sell or hold any Digital Currency or any amount of a Digital Currency and does not constitute investment advice, financial advice, or trading advice.

3. Payment Services, Purchase & Sale Transactions

****3.1. USD Funds.**** You can load funds into your USD Wallet from a valid bank account via ACH transfer or wire transfer. Your USD balance is in a pending state and will not be credited to your USD Wallet until after the bank transfer has cleared, usually with 5 business days. We may debit your linked bank account as soon as you initiate payment. The name on your linked bank account and your wire transfer must match the name verified on your Coinbase Account.

****3.2. Purchase or Sale of Digital Currency.**** When you purchase (buy) Digital Currency from Coinbase (or from a third-party using Coinbase Pro) this transaction is intended to effect a sale of Digital Currency. You can purchase (buy) Digital Currency using: (a) funds in your USD Wallet, (b) Digital Currency held in certain Digital Currency Wallets, as permitted by Coinbase, (c) a valid bank account in the name that matches the name on your Coinbase Account, or (d) a debit or credit card that matches the name on your Coinbase Account (each a “**Valid Payment Method**”). Your purchase must follow the relevant instructions on the Coinbase Site. Coinbase reserves the right to cancel any transaction not confirmed by you within five (5)

seconds after Coinbase quotes a transaction price. A purchase of Digital Currency using a Valid Payment Method generally will initiate on the business day we receive your instructions. Purchased Digital Currency will be deposited in your Digital Currency Wallet as soon as funds have settled to Coinbase, which in the case of a bank account or credit or debit card may take up to five business days. You can sell Digital Currency and instruct Coinbase to deposit funds into your Coinbase USD Wallet or, where supported, a Digital Currency Wallet. Digital Currency purchases and sales are collectively referred to herein as “**Digital Currency Transactions**”. If Coinbase cannot complete your Digital Currency Transaction for any reason (such as price movement, failure of Pro to respond, or an order exceeding the maximum order size), Coinbase will reject the order and notify you of such rejection. You will not be charged for a rejected transaction.

****3.3. Fees.**** In general, Coinbase makes money when you purchase or sell digital currency on our Site. A full list of Coinbase fees for your Coinbase Account can be found on our [Pricing and Fees Disclosures page](<https://support.coinbase.com/customer/portal/articles/2109597-buy-sell-bank-transfer-fees>).

By using Coinbase Services you agree to pay all applicable fees. Coinbase reserves the right to adjust its pricing and fees and any applicable waivers at any time. We will always notify you of the pricing and fees which apply to your transaction when you authorize the transaction and in each receipt we issue to you. We may charge network fees (miner fees) to process a Digital Currency Transaction on your behalf. We will calculate the network fee in our discretion, although we will always notify you of the network fee at or before the time you authorize the Digital Currency Transaction. Bank fees charged to Coinbase are netted out of transfers to or from Coinbase. You are responsible for paying any additional fees charged by your financial service provider. We will not process a transfer if associated bank fees exceed the value of the transfer. You may be required to deposit additional USD to cover bank fees if you desire to complete such a transfer.

****3.4. Recurring Digital Currency Transactions.**** If you initiate recurring Digital Currency Transactions, you authorize us to initiate recurring electronic payments in accordance with your selected Digital Currency Transaction and any corresponding payment accounts, such as recurring automated clearing house (ACH) debit or credit entries from or to your linked bank account. Your recurring transactions will occur in identical, periodic installments, based on your period selection (e.g., daily, weekly, monthly), until either you or Coinbase cancels the recurring order. If you select a U.S. Bank Account as your payment method for a recurring transaction, and such transaction falls on a weekend or holiday, or after bank business hours, the ACH credit or debit will be executed on the next business day, although the Digital Currency fees at the time of the regularly-scheduled transaction will apply. If your Bank is unable to process

any electronic ACH debit entry, we will notify you of cancellation of the transaction and may avail itself of remedies set forth in this User Agreement to recover any amount owed to Coinbase. This authorization will remain in full force and effect until you change your recurring transaction settings at https://www.coinbase.com/recurring_payments, or until you provide us written notification at <https://support.coinbase.com>. You agree to notify Coinbase in writing of any changes in your linked bank account information prior to a recurring transaction. Coinbase may, at any time, terminate recurring transactions by providing notice to you.

****3.5. Revocation.**** When you give us instructions to purchase (buy) Digital Currency, you cannot withdraw your consent to that purchase unless the purchase is not scheduled to occur until a future date e.g. you set up a recurring purchase of Digital Currency (a "****Future Transaction****"). In the case of a Future Transaction, you may withdraw your consent up until the end of the business day before the date that the Future Transaction is scheduled to take place. To withdraw your consent to a Future Transaction, follow the instructions on the Coinbase Site.

****3.6. Unauthorized and Incorrect Transactions.**** When a Digital Currency or USD transaction occurs using your credentials, we will assume that you authorized such transaction, unless you notify us otherwise. If you believe you did not authorize a particular transaction or that a transaction was incorrectly carried out, you must contact us as soon as possible either by email free of charge at support.trust@coinbase.com or by phone at +1 (888) 908-7930 (international call charges may apply). It is important that you regularly check your USD Wallet and Digital Currency Wallet balances and your transaction history regularly to ensure you notify us as soon as possible of any unauthorized or incorrect transactions to. We are not responsible for any claim for unauthorized or incorrect transactions unless you have notified us in accordance with this section.

****3.7. Account Information.**** You will be able to see your USD Wallet and Digital Currency Wallet balances using the Coinbase Site. You can also see your transaction history using the Coinbase Site, including (i) the amount (and currency) of each Digital Currency Transaction, (ii) a reference to the identify of the payer and/or payee (as appropriate), (iii) any fees charged (excluding any spread, or margin, over the prevailing market rate on Coinbase's trading platform), (iv) if applicable, the rate of exchange, and the amount (in the new currency) after exchange (where you are the payer) or the amount (in the original currency) before the exchange (where you are the payee), and (v) the date of each Digital Currency Transaction.

****3.8. Consent to access, processing and storage of your personal data.**** You

consent to us accessing, processing and retaining any personal information you provide to us for the purpose of us providing Coinbase Services to you. This consent is not related to, and does not affect, any rights or obligations we or you have in accordance with data protection laws, privacy laws and regulations. You can withdraw your consent at any time by closing your account with us. However, we may retain and continue to process your personal information for other purposes. Please see our [Privacy Policy](<https://www.coinbase.com/legal/privacy?country=US>) for further information about how we process your personal data, and the rights you have in respect of this.

****3.9. Reversals & Cancellations.** You cannot cancel, reverse, or change any transaction marked as complete or pending. If your payment is not successful, if your payment method has insufficient funds, or if you reverse a payment made from funds in your bank account, you authorize Coinbase, in its sole discretion, either to cancel the transaction or to debit your other payment methods, including your USD Wallet or Digital Currency Wallet balances or other linked accounts, in any amount necessary to complete the transaction. You are responsible for maintaining an adequate balance and/or sufficient credit limits in order to avoid overdraft, non-sufficient funds (NSF), or similar fees charged by your payment provider. We reserve the right to refuse to process, or to cancel or reverse, any Digital Currency Transaction or Transfers in our sole discretion, even after funds have been debited from your account(s), if we suspect the transaction involves (or has a high risk of involvement in) money laundering, terrorist financing, fraud, or any other type of financial crime; in response to a subpoena, court order, or other government order; if we reasonably suspect that the transaction is erroneous; or if Coinbase suspects the transaction relates to Prohibited Use or a Prohibited Business as set forth below. In such instances, Coinbase will reverse the transaction and we are under no obligation to allow you to reinstate a purchase or sale order at the same price or on the same terms as the cancelled transaction.

****3.10. Payment Services Partners.** Coinbase may use a third party payment processor to process any US Dollar payment between you and Coinbase, including but not limited to payments in relation to your use of the Digital Currency Transactions or deposits or withdrawals from your USD Wallet or Coinbase Pro Account.

4. Digital Currency Transfers

****4.1. In General.** If you have sufficiently verified your identity, your Digital Currency Wallet enables you to send Supported Digital Currency to, and request, receive, and store Supported Digital Currency from, third parties by giving

instructions through the Coinbase Site. Your transfer of Supported Digital Currencies between your other digital currency wallets (including wallets off the Coinbase Site) and to and from third parties is a “**Digital Currency Transfer**”.

****4.3. Pending Transactions.**** Once a Digital Currency Transfer is submitted to a Digital Currency network, the transaction will be unconfirmed and remain in a pending state for a period of time sufficient to confirmation of the transaction by the Digital Currency network. A Digital Currency Transfer is not complete while it is in a pending state. Pending Digital Currency Transfers that are initiated from a Coinbase Account will reflect a pending transaction status and are not available to you for use on the Coinbase platform or otherwise while the transaction is pending.

****4.4. Inbound Digital Currency Transfers.**** When you or a third party sends Digital Currency to a Coinbase wallet from an external wallet not hosted on Coinbase (“**Inbound Transfers**”), the person initiating the transaction is solely responsible for executing the transaction properly, which may include, among other things, payment of sufficient network or miner’s fees in order for the transaction to be successful. Insufficient network fees may cause an Inbound Transfer to remain in a pending state outside of Coinbase’s control and we are not responsible for delays or loss incurred as a result of an error in the initiation of the transaction and have no obligation to assist in the remediation of such transactions. ****By initiating an Inbound Transfer, you attest that you are transacting in a Supported Digital Currency which conforms to the particular Coinbase wallet into which funds are directed.** For example, if you select an Ethereum wallet address to receive funds, you attest that you are initiating an Inbound Transfer of Ethereum alone, and not any other currency such as Bitcoin or Ethereum Classic. Coinbase incurs no obligation whatsoever with regard to unsupported digital currency sent to a Coinbase Account or Supported Digital Currency sent to an incompatible Digital Currency wallet. Erroneously transmitted funds will be lost.**** We recommend customers send a small amount of Supported Digital Currency as a test prior to initiating a send of a significant amount of Supported Digital Currency.** Coinbase may from time to time determine types of Digital Currency that will be supported or cease to be supported.

****4.5. Outbound Digital Currency Transfers.**** When you send Digital Currency from your Coinbase Account to an external wallet (“**Outbound Transfers**”), such transfers are executed at your instruction by Coinbase. You should verify all transaction information prior to submitting instructions to us. Coinbase shall bear no liability or responsibility in the event you enter an incorrect blockchain destination address. We do not guarantee the identity or value received by a recipient of an Outbound Transfer. Digital Currency Transfers

cannot be reversed once they have been broadcast to the relevant Digital Currency network, although they may be in a pending state, and designated accordingly, while the transaction is processed by network operators. Coinbase does not control the Digital Currency network and makes no guarantees that a Digital Currency Transfer will be confirmed by the network. We may refuse to process or cancel any pending Outbound Digital Currency Transfers as required by law or any court or other authority to which Coinbase is subject in any jurisdiction. Additionally, we may require you to wait some amount of time after completion of a transaction before permitting you to use further Coinbase Services and/or before permitting you to engage in transactions beyond certain volume limits.

****4.6. Transfers to a Recipient Email Address.**** Coinbase allows you to initiate a Digital Currency Transfer to a Coinbase customer by designating that customer's email address. If you initiate a Digital Currency Transfer to an email address, and the recipient does not have an existing Coinbase Account, we will invite the recipient to open a Coinbase Account. If the recipient does not open a Coinbase Account within 30 days, we will return the relevant Digital Currency to your Digital Currency Wallet.

****4.8. Third Party Merchants.**** We have no control over, or liability for, the delivery, quality, safety, legality or any other aspect of any goods or services that you may purchase from a third party (including other users of Coinbase Digital Currency Services). We are not responsible for ensuring that a third party buyer or a seller you transact with will complete the transaction or is authorised to do so. If you experience a problem with any goods or services purchased from, or sold to, a third party using Digital Currency transferred using the Coinbase Digital Currency Services, or if you have a dispute with such third party, you should resolve the dispute directly with that third party. If you believe a third party has behaved in a fraudulent, misleading, or inappropriate manner, or if you cannot adequately resolve a dispute with a third party, you may notify Coinbase Support at support.trust@coinbase.com so that we may consider what action to take, if any.

****4.9 Debts.**** In the event that there are outstanding amounts owed to us hereunder, including in your Coinbase Account, Coinbase reserves the right to debit your Coinbase Account or Coinbase Pro Account accordingly and/or to withhold amounts from funds you may transfer from your Coinbase Pro Account to your Coinbase Account.

5. Additional Services

****5.1 Generally.**** In addition to the Services above, the following services

("**Additional Services**") may be made available by Coinbase to users that fulfill certain eligibility criteria.

****5.2. Coinbase Pro Services.**** Coinbase Pro Services are services related to Coinbase Pro's order matching platform. If you are eligible and elect to use the Coinbase Pro Services, you must establish a Coinbase Pro account at pro.coinbase.com ("**Coinbase Pro Account**"). The provisions of this Section

5.1. apply to your use of such Coinbase Pro Services in addition to the other applicable provisions of this Agreement, including without limitation the releases, indemnities, disclaimers, limitations of liability, prohibited use, dispute resolution, and cancellation policies set forth above. Additionally, you also accept and agree to be bound by the Trading Rules and the Coinbase Pro Trading Fees.

****5.2.1 Coinbase Pro Account.**** You may not sell, lease, furnish or otherwise permit or provide access to your Trading Account to any other entity or to any individual that is not your employee or agent. You accept full responsibility for your employees' or agents' use of Coinbase Pro, whether such use is directly through the Coinbase Pro website or by other means, such as those facilitated through API keys, and/or applications which you may authorize. You understand and agree that you are responsible for any and all orders, trades, and other instructions entered into Coinbase Pro including identifiers, permissions, passwords, and security codes associated with your Coinbase Pro Account.

****5.2.2 Order Books.**** Coinbase Pro Services offer an order book for various Digital Currency and Fiat Currency trading pairs (each an "**Order Book**"). Refer to your Coinbase Pro Account to determine which Order Books are available to you.

****5.2.3 Associated Tools.**** In addition to the Wallet Services detailed in Section 2.1, your Coinbase Pro Account provides you access to associated user tools, accessible at pro.coinbase.com and through the Coinbase Pro API.

****5.3. USDC Rewards.****

****USDC IS NOT LEGAL TENDER. USDC IS A DIGITAL CURRENCY CURRENCY AND COINBASE HAS NO RIGHT TO USE ANY USDC YOU HOLD ON COINBASE. COINBASE IS NOT A DEPOSITORY INSTITUTION, AND YOUR USDC WALLET IS NOT A DEPOSIT ACCOUNT. YOUR USDC WALLET IS NOT INSURED BY THE FEDERAL DEPOSIT INSURANCE CORPORATION (FDIC) OR THE SECURITIES INVESTOR PROTECTION CORPORATION (SIPC).****

****5.3.1 Eligibility.** If you are [eligible](<https://support.coinbase.com/customer/portal/articles/2980181>), you can earn rewards for holding USDC on Coinbase.com. So long as you hold at least \$1 of USDC in your Coinbase.com account, you will automatically earn amounts of USDC as described below in the “Calculation” section (**“USDC Rewards”**). If at any time you do not hold at least \$1 of USDC in your Coinbase.com account, your enrollment in USDC Rewards will be paused until such time that you do hold at least \$1 of USDC in your Coinbase.com account. During such period you will retain all USDC Rewards previously accrued but not yet distributed. Such accrued rewards will be distributed as described below in the “Calculation” section. If at any time you are deemed [ineligible](<https://support.coinbase.com/customer/portal/articles/2980181>), your enrollment in USDC Rewards will be similarly paused. You can opt-out of, or back into, USDC Rewards at any time by following the instructions [here](<https://support.coinbase.com/customer/portal/articles/2980181>). If you opt-out of USDC Rewards or close your Coinbase.com account, you will forfeit the rewards you have accrued (that are not yet distributed for the current calendar month) up to that time. USDC held on Coinbase Pro is not eligible for USDC Rewards.

****5.3.2 Calculation.** Rewards are earned on a daily basis in the form of USDC at the then current **USDC Rewards Rate**. Our current **USDC Rewards Rate** can be found [here](<https://support.coinbase.com/customer/portal/articles/2980181>). Our current **USDC Rewards Annual Percentage Yield**, which includes the effect of monthly compounding, can be found [here](<https://coinbase.com/accounts>) and [here](<https://support.coinbase.com/customer/portal/articles/2980181>). Rewards earned in a particular month are airdropped into your Coinbase.com USDC wallet within 5 business days after the start of the next calendar month. USDC Rewards distributed to you are rounded-down to the nearest sixth decimal place. We use the **Daily Balance Method** to determine the rewards you earn for a particular day, using your average balance of USDC on that specific day as that day’s balance. The rate used to determine rewards earned for a particular day is the then current **USDC Rewards Rate** divided by 365.

****5.3.3 Changes.** We reserve the right to change the **USDC Rewards Rate Annual Percentage Yield** at any time by notification [here](<https://coinbase.com/accounts>) and [here](<https://support.coinbase.com/customer/portal/articles/2980181>) and by other reasonable means of notice (including e-mail). Unless otherwise stated in the notice, no change will be effective until the first day of the calendar month after such notice is made. We reserve the right to add, change, or delete any provision of these terms and to terminate the USDC rewards program, or your participation in the program, at any time upon notice made in the same manner.

****5.3.4 Definitions.**

“USDC Rewards Rate” means the annual rate of rewards earned on a USDC wallet, which does not reflect compounding. The current USDC Rewards Rate can be found [here](<https://support.coinbase.com/customer/portal/articles/2980181>).

“USDC Rewards Annual Percentage Yield” or **“APY”** means the percentage rate reflecting the total amount of USDC Rewards earned, based on the then current USDC Rewards Rate and end of month compounding for a 365-day period. The current USDC Rewards Annual Percentage Yield can be found [here](<https://coinbase.com/accounts>) and [here](<https://support.coinbase.com/customer/portal/articles/2980181>).

“Daily Balance Method” means the application of the daily periodic rate (derived from the APY) to the calendar day average of USDC held in your USDC wallet each day.

“Day” means a UTC calendar day.

5.4 Staking Services. When you hold Digital Currencies on Coinbase you may be given the option to “stake” these assets in a third party proof of stake network via staking services provided by Coinbase. In a proof of stake network, transaction validators are chosen using a formula based on ownership of the underlying Digital Currency as opposed to computing power (i.e., proof of work). Please visit our [staking information page](<https://support.coinbase.com/customer/portal/articles/2981942>) for further details on how proof of stake works.

5.4.1 Staking Service is Optional. Staking services will be made available to you by default for Digital Currencies where staking functionality is available on Coinbase. YOU ARE NOT REQUIRED TO STAKE WITH COINBASE AND YOU CAN OPT-OUT OF COINBASE STAKING SERVICES AT ANY TIME THROUGH THE [SETTINGS PAGE IN YOUR ACCOUNT.](<https://coinbase.com/settings/financial-services>) If you opt-out of staking services, you can opt back in at any time.

5.4.2 The Service; Rewards; Commission. If you stake your assets with us, Coinbase or one of its affiliates will stake these on your behalf, acting as a transaction validator on the applicable network for the Digital Currency you stake. If Coinbase successfully validates a block of transactions in that Digital Currency, you may earn a reward granted by that Digital Currency’s network. Your

reward will be determined by the protocols of the [applicable network.]<https://support.coinbase.com/customer/portal/articles/2981942> Coinbase will distribute this reward to you after receipt by Coinbase, minus a 25% commission.

****5.4.3 No Guarantee.** You have no right to a reward until it is received by Coinbase. Rewards will be distributed to your account promptly after they are received by Coinbase. Coinbase will use reasonable efforts to stake any Digital Currencies for which you are using Coinbase staking services. The “staking rewards rate” disclosed by Coinbase for a particular Digital Currency is an annualized historical rate based on the staking rewards generated by Coinbase in providing staking services to Coinbase customers for that Digital Currency over the last 90 days. This rate is an estimate and changes over time. **COINBASE DOES NOT GUARANTEE THAT YOU WILL RECEIVE STAKING REWARDS, ANY SPECIFIC STAKING REWARD, OR ANY STAKING RETURN OVER TIME, INCLUDING THE STAKING REWARDS RATE.**

If we have reason to believe you may have died but we do not have proof of your death in a form satisfactory to us, you authorize us to make inquiries, whether directly or through third parties, that we consider necessary to ascertain whether you have died. Upon receipt by us of proof satisfactory to us that you have died, the fiduciary you have designated in a valid Will or similar testamentary document will be required to open a new Coinbase Account. If you have not designated a fiduciary, then we reserve the right to (i) treat as your fiduciary any person entitled to inherit your Coinbase Account, as determined by us upon receipt and review of the documentation we, in our sole and absolute discretion, deem necessary or appropriate, including (but not limited to) a Will, a living trust or a Small Estate Affidavit, or (ii) require an order designating a fiduciary from a court having competent jurisdiction over your estate. In the event we determine, in our sole and absolute discretion, that there is uncertainty regarding the validity of the fiduciary designation, we reserve the right to require an order resolving such issue from a court of competent jurisdiction before taking any action relating to your Coinbase Account. Pursuant to the above, the opening of a new Coinbase Account by a designated fiduciary is mandatory following the death of a Coinbase Account owner, and you hereby agree that your fiduciary will be required to open a new Coinbase Account and provide the information required under Section 2 of this Agreement in order to gain access to the contents of your Coinbase Account.

****7.9. Unclaimed Property.** If Coinbase is holding funds (whether fiat currency or Digital Currency) in your account, and Coinbase is unable to contact you and has no record of your use of the Services for several years, applicable law may require Coinbase to report these funds (including fiat currency and Digital Currency) as unclaimed property to the applicable jurisdiction. If this occurs, Coinbase will try to locate you at the address shown in our records, but if Coinbase is unable to locate you, it may be required to deliver any such funds to the applicable state or jurisdiction as unclaimed property.

****7.10. Relationship of the Parties.**** Coinbase is an independent contractor for all purposes. Nothing in this Agreement shall be deemed or is intended to be deemed, nor shall it cause, you and Coinbase to be treated as partners, joint ventures, or otherwise as joint associates for profit, or either you or Coinbase to be treated as the agent of the other.

****7.11. Privacy of Others; Marketing.**** If you receive information about another user through the Coinbase Services, you must keep the information confidential and only use it in connection with the Coinbase Services. You may not disclose or distribute a user's information to a third party or use the information except as reasonably necessary to effectuate a transaction and other functions reasonably incidental thereto such as support, reconciliation and accounting unless you receive the user's express consent to do so. You may not send unsolicited email to a user through the Coinbase Services.

****7.12. Password Security; Contact Information.**** You are responsible for creating a strong password and maintaining adequate security and control of any and all IDs, passwords, hints, personal identification numbers (PINs), API keys or any other codes that you use to access the Coinbase Services. Any loss or compromise of the foregoing information and/or your personal information may result in unauthorized access to your Coinbase Account(s) by third-parties and the loss or theft of any Digital Currency and/or funds held in your Coinbase Account(s) and any associated accounts, including your linked bank account(s) and credit card(s). You are responsible for keeping your email address and telephone number up to date in your Account Profile in order to receive any notices or alerts that we may send you. **You should never allow remote access or share your computer screen with someone else when you are logged on to your Coinbase Account. Coinbase will never under any circumstances ask you for your IDs, passwords, or 2-factor authentication codes. ****7.14. Taxes.** It is your sole responsibility to determine whether, and to what extent, any taxes apply to any transactions you conduct through the Coinbase Services, and to withhold, collect, report and remit the correct amounts of taxes to the appropriate tax authorities. Your transaction history is available through your Coinbase Account(s).

****7.15. No Investment Advice or Brokerage.** For the avoidance of doubt, Coinbase does not provide investment, tax, or legal advice, nor does Coinbase broker trades on your behalf. All Coinbase trades are executed automatically, based on the parameters of your order instructions and in accordance with posted Trade execution procedures, and you are solely responsible for determining whether any investment, investment strategy or related transaction is appropriate for you based on your personal investment objectives, financial circumstances and risk tolerance. You should consult your legal or tax professional regarding your specific situation. Coinbase may provide educational information about Supported Digital Currency, as well as Digital Currency not supported by Coinbase, in order to assist users in learning more about such Digital Currency. Information may include, but is not limited to, blog posts, articles, links to to third-party content, news feeds, tutorials, and videos. The information provided on this website or any third-party sites does not constitute investment advice, financial advice, trading advice, or any other sort of advice, and you should not treat any of the website's content as such. Coinbase does not recommend that any Digital Currency should be bought, earned, sold, or held by you. Before making the decision to buy, sell or hold any Digital Currency, you should conduct your own due diligence and consult your financial advisors before making any investment decision. Coinbase will not be held responsible for the decisions you make to buy, sell, or hold Digital Currency based on the information provided by Coinbase.

8. Customer Feedback, Queries, Complaints, and Dispute Resolution

****8.1. Contact Coinbase.** If you have feedback, or general questions, contact us via our Customer Support webpage at <https://support.coinbase.com>. When you contact us please provide us with your name, address, and any other information we may need to identify you, your Coinbase Account(s), and the transaction on which you have feedback or questions.

If you believe your account has been compromised, you may also report your claim by calling (888) 908-7930. Coinbase requires that all legal documents (including civil subpoenas, complaints, and small claims) be served on our registered agent for service of process. Current contact information for our registered agent in each state can be found [here](<https://ct.wolterskluwer.com/sop-locations>).

Please note that our registered agent will accept service only if the entity identified as the recipient of the document is identical to the entity registered with the Secretary of State and for which our registered agent is authorized to accept service. By accepting service of a legal document, Coinbase does not waive any objections we may have and may raise in response to such document.

****8.2. Formal Complaint Process.**** If you have a dispute with Coinbase (a "Complaint"), you agree to contact Coinbase through our support team to attempt to resolve any such dispute amicably. **If we cannot resolve the dispute through the Coinbase support team, you and we agree to use the Formal Complaint Process set forth below.** You agree to use this process before filing any arbitration claim or small claims action. If you do not follow the procedures set out in this Section before filing an arbitration claim or suit in small claims court, we shall have the right to ask the arbitrator or small claims court to dismiss your filing unless and until you complete the following steps.

****8.2.1. Procedural Steps.**** In the event that your dispute with Coinbase is not resolved through your contact with Coinbase Support, you agree to use our Complaint form to describe your Complaint, how you would like us to resolve the Complaint, and any other information related to your dispute that you believe to be relevant. The Complaint form can be found on the Coinbase support pages, support.coinbase.com or can be requested from Coinbase Customer Support.

****8.2.2. Coinbase Response.**** We will acknowledge receipt of your Complaint form after you submit it. A Coinbase customer relations agent ("Agent") will review your Complaint. The Agent will evaluate your Complaint based on the information you have provided and information in the possession of Coinbase. Within 15 business days of our receipt of your Complaint form, the Agent will address the issues raised in your Complaint form by sending you an e-mail ("Resolution Notice") in which the Agent will: (i) offer to resolve your complaint in the way you requested; (ii) make a determination rejecting your Complaint and set out the reasons for the rejection; or (iii) offer to resolve your Complaint with an alternative solution. In exceptional circumstances, if the Agent is unable to respond to your Complaint within 15 business days for reasons beyond Coinbase's control, the Agent will send you a communication indicating the reasons for any delay in answering your Complaint, and specifying the deadline by which the Agent will respond to your Complaint, which will be no later than 35 business days from our receipt of your Complaint form.

****8.3. Arbitration; Waiver of Class Action.** If we cannot resolve the dispute through the Formal Complaint Process, you and we agree that any dispute arising out of or relating to this Agreement or the Coinbase Services, including,

without limitation, federal and state statutory claims, common law claims, and those based in contract, tort, fraud, misrepresentation, or any other legal theory, shall be resolved through binding arbitration, on an individual basis (the "Arbitration Agreement"). Subject to applicable jurisdictional requirements, you may elect to pursue your claim in your local small claims court rather than through arbitration so long as your matter remains in small claims court and proceeds only on an individual (non-class and non-representative) basis. Arbitration shall be conducted in accordance with the American Arbitration Association's rules for arbitration of consumer-related disputes (accessible at <https://www.adr.org/sites/default/files/Consumer%20Rules.pdf>).**

This Arbitration Agreement includes, without limitation, disputes arising out of or related to the interpretation or application of the Arbitration Agreement, including the enforceability, revocability, scope, or validity of the Arbitration Agreement or any portion of the Arbitration Agreement. All such matters shall be decided by an arbitrator and not by a court or judge.

CLASS ACTION WAIVER: TO THE EXTENT PERMISSIBLE BY LAW, ALL CLAIMS MUST BE BROUGHT IN A PARTY'S INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, COLLECTIVE ACTION, OR REPRESENTATIVE PROCEEDING (COLLECTIVELY "CLASS ACTION WAIVER"). THE ARBITRATOR MAY NOT CONSOLIDATE MORE THAN ONE PERSON'S CLAIMS OR ENGAGE IN ANY CLASS ARBITRATION. YOU ACKNOWLEDGE THAT, BY AGREEING TO THESE TERMS, YOU AND COINBASE ARE EACH WAIVING THE RIGHT TO A TRIAL BY JURY AND THE RIGHT TO PARTICIPATE IN A CLASS ACTION.

The arbitration will be conducted by a single, neutral arbitrator and shall take place in the county or parish in which you reside, or another mutually agreeable location, in the English language. The arbitrator may award any relief that a court of competent jurisdiction could award and the arbitral decision may be enforced in any court. An arbitrator's decision and judgment thereon will not have a precedential or collateral estoppel effect. At your request, hearings may be conducted in person or by telephone and the arbitrator may provide for submitting and determining motions on briefs, without oral hearings. To the extent permitted by law, the prevailing party in any action or proceeding to enforce this Agreement, any arbitration pursuant to this Agreement, or any small claims action shall be entitled to costs and attorneys' fees. If the arbitrator or arbitration administrator would impose filing fees or other

administrative costs on you, we will reimburse you, upon request, to the extent such fees or costs would exceed those that you would otherwise have to pay if you were proceeding instead in a court. We will also pay additional fees or costs if required to do so by the arbitration administrator's rules or applicable law.

9. General Provisions

****9.1. Computer Viruses.** We shall not bear any liability, whatsoever, for any damage or interruptions caused by any computer viruses or other malicious code that may affect your computer or other equipment, or any phishing, spoofing or other attack. We advise the regular use of a reputable and readily available virus screening and prevention software. You should also be aware that SMS and email services are vulnerable to spoofing and phishing attacks and should use care in reviewing messages purporting to originate from Coinbase. Always log into your Coinbase Account(s) through the Coinbase Site to review any transactions or required actions if you have any uncertainty regarding the authenticity of any communication or notice.

****9.2. Release of Coinbase; Indemnification.** If you have a dispute with one or more users of the Coinbase Services, you release Coinbase, its affiliates and service providers, and each of their respective officers, directors, agents, joint venturers, employees and representatives from any and all claims, demands and damages (actual and consequential) of every kind and nature arising out of or in any way connected with such disputes. You agree to indemnify and hold Coinbase, its affiliates and Service Providers, and each of its or their respective officers, directors, agents, joint venturers, employees and representatives, harmless from any claim or demand (including attorneys' fees and any fines, fees or penalties imposed by any regulatory authority) arising out of or related to your breach of this Agreement or your violation of any law, rule or regulation, or the rights of any third party.

****9.3. Limitation of Liability; No Warranty.** IN NO EVENT SHALL COINBASE, ITS AFFILIATES AND SERVICE PROVIDERS, OR ANY OF THEIR RESPECTIVE OFFICERS, DIRECTORS, AGENTS, JOINT VENTURERS, EMPLOYEES OR REPRESENTATIVES, BE LIABLE (A) FOR ANY AMOUNT GREATER THAN THE VALUE OF THE SUPPORTED DIGITAL CURRENCY ON DEPOSIT IN YOUR COINBASE ACCOUNT(S) OR (B) FOR ANY LOST PROFITS, DIMINUTION IN VALUE OR BUSINESS OPPORTUNITY, ANY LOSS, DAMAGE, CORRUPTION OR BREACH OF DATA OR

ANY OTHER INTANGIBLE PROPERTY OR ANY SPECIAL, INCIDENTAL, INDIRECT, INTANGIBLE, OR CONSEQUENTIAL DAMAGES, WHETHER BASED IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE, ARISING OUT OF OR IN CONNECTION WITH AUTHORIZED OR UNAUTHORIZED USE OF THE COINBASE SITE OR THE COINBASE SERVICES, OR THIS AGREEMENT, EVEN IF AN AUTHORIZED REPRESENTATIVE OF COINBASE HAS BEEN ADVISED OF OR KNEW OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES, AND NOTWITHSTANDING THE FAILURE OF ANY AGREED OR OTHER REMEDY OF ITS ESSENTIAL PURPOSE, EXCEPT TO THE EXTENT OF A FINAL JUDICIAL DETERMINATION THAT SUCH DAMAGES WERE A RESULT OF COINBASE'S GROSS NEGLIGENCE, FRAUD, WILLFUL MISCONDUCT OR INTENTIONAL VIOLATION OF LAW. THIS MEANS, BY WAY OF EXAMPLE ONLY (AND WITHOUT LIMITING THE SCOPE OF THE PRECEDING SENTENCE), THAT IF YOU CLAIM THAT COINBASE FAILED TO PROCESS A BUY OR SELL TRANSACTION PROPERLY, YOUR DAMAGES ARE LIMITED TO NO MORE THAN THE VALUE OF THE SUPPORTED DIGITAL CURRENCY AT ISSUE IN THE TRANSACTION, AND THAT YOU MAY NOT RECOVER FOR LOST PROFITS, LOST BUSINESS OPPORTUNITIES, DIMINUTION IN VALUE OR OTHER TYPES OF SPECIAL, INCIDENTAL, INDIRECT, INTANGIBLE, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES IN EXCESS OF THE VALUE OF THE SUPPORTED DIGITAL CURRENCY AT ISSUE IN THE TRANSACTION. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

THE COINBASE SERVICES ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS WITHOUT ANY REPRESENTATION OR WARRANTY, WHETHER EXPRESS, IMPLIED OR STATUTORY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, COINBASE SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTIES OF TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND/OR NON-INFRINGEMENT. COINBASE DOES NOT MAKE ANY REPRESENTATIONS OR WARRANTIES THAT ACCESS TO THE SITE, ANY PART OF THE COINBASE

SERVICES, OR ANY OF THE MATERIALS CONTAINED THEREIN, WILL BE CONTINUOUS, UNINTERRUPTED, TIMELY, OR ERROR-FREE. COINBASE DOES NOT GUARANTEE THAT ANY ORDER WILL BE EXECUTED, ACCEPTED, RECORDED OR REMAIN OPEN, EXCEPT FOR THE EXPRESS STATEMENTS SET FORTH IN THIS AGREEMENT, YOU HEREBY ACKNOWLEDGE AND AGREE THAT YOU HAVE NOT RELIED UPON ANY OTHER STATEMENT OR UNDERSTANDING, WHETHER WRITTEN OR ORAL, WITH RESPECT TO YOUR USE AND ACCESS OF THE COINBASE SERVICES AND COINBASE SITE. WITHOUT LIMITING THE FOREGOING, YOU HEREBY UNDERSTAND AND AGREE THAT COINBASE WILL NOT BE LIABLE FOR ANY LOSSES OR DAMAGES ARISING OUT OF OR RELATING TO: (A) ANY INACCURACY, DEFECT OR OMISSION OF DIGITAL CURRENCY PRICE DATA, (B) ANY ERROR OR DELAY IN THE TRANSMISSION OF SUCH DATA, OR (C) INTERRUPTION IN ANY SUCH DATA.

Coinbase makes no representations about the accuracy, order, timeliness or completeness of historical Digital Currency price data available on the Coinbase Site. Coinbase will make reasonable efforts to ensure that requests for electronic debits and credits involving bank accounts, credit cards, and check issuances are processed in a timely manner but Coinbase makes no representations or warranties regarding the amount of time needed to complete processing which is dependent upon many factors outside of our control.

IF YOU ARE A NEW JERSEY RESIDENT, the provisions of this Section 9.3 are intended to apply only to the extent permitted under New Jersey law.

****9.4. Entire Agreement.**** This Agreement, the Privacy Policy, E-Sign Consent, and Appendices incorporated by reference herein comprise the entire understanding and agreement between you and Coinbase as to the subject matter hereof, and supersedes any and all prior discussions, agreements and understandings of any kind (including without limitation any prior versions of this Agreement), and every nature between and among you and Coinbase. Section headings in this Agreement are for convenience only and shall not govern the meaning or interpretation of any provision of this Agreement.

****9.5. Amendments.**** We may amend or modify this Agreement by posting on the Coinbase Site or emailing to you the revised Agreement, and the revised Agreement shall be effective at such time. If you do not agree with any such modification, your sole and exclusive remedy is to terminate your use of the

Services and close your account.
